

Cyclesolihull was established by volunteers over 10 years ago to encourage more cycling. Since then we have organised over 700 free rides with over 11,000 riders taking part. Find out more about the rides and routes below.

Cyclesolihull rides are regular free cycle rides organised by volunteers. They are a fun way to explore your local area at a leisurely pace with other people. Just turn up at the start point with a roadworthy bike – there is no need to book.

The rides take place on the basis of all riders accepting responsibility for their own safety. Ride lengths range from 5 to 30 miles and start from 20 different locations.

Riders travel at their own pace and there are regular short stops so nobody gets behind. Most ride timings are based on 8 mph average speed but this varies depending on who is on the ride - expect the shorter rides to be a little slower than this and the longer rides a bit faster.

Saturday Stretcher rides are at a faster pace, typically 10-12 mph and are suitable for more experienced cyclists.

See inside for the Spring & Summer 2017 ride programme.

Cyclesolihull routes form the basis of the rides.

There are over 50 different routes using quiet roads and cycle paths and are ideal for a half-day out. You can also cycle them alone or with family and friends. Individual leaflets containing a detailed map and directions can be downloaded for most of the routes from www.cyclesolihull.org.uk.

Children Welcome!

Children learning to cycle on the road with their parents are welcome on Sunday rides. Cyclesolihull rides are a great way for children to experience 'real' cycling and it is surprising how far even younger children can go. You are recommended to try the **Taster** and shorter **S** rides first (highlighted in **yellow**).

Need more confidence to cycle on the road?

Consider some cycle training, which is available at all levels including for complete beginners who want to learn to ride. Locally **Purrfect Pedalling** provide friendly training for all ages. Call 07896 885726 or go to www.purrfectpedalling.co.uk.

Find the ride that suits you best!

Cyclesolihull rides range from 5 to 30 miles. The route number provides a quick guide to the length of the ride so you can easily see which rides are best for you.

5 miles Taster T routes are introductory rides which are especially suitable for beginners and children.

10 miles S routes are ideal if you just want a short easy ride. They are also great for families.

*These shorter rides are highlighted **yellow** in the programme.*

15 miles M routes are an opportunity to try a slightly longer ride.

20 miles L routes are our longest Sunday rides.

30 miles Saturday Stretcher rides are our longest rides and at a faster pace with no fixed route.

Ride distances may vary by +/- 10% depending on the route. Actual ride distances are shown in brackets followed by the Cyclesolihull route number.

Evening Explorer rides are short weekday rides using the **S** routes during the months with lighter evenings.

Double-Sundays have a choice of rides and are marked **DS**

Rides are free and no booking is required.
There is a refreshment stop of about 30 minutes on all rides.

Start Points

See inside for full details of the ride start points.
